For All Time

Auberon

You've been the first in my life
Who has ever made me feel this way
And I will not deny
I'm gonna need you right here by my side
Baby, I can wait
(Come on over here and let me lead the way)
Let me take your breath away
(By holdin' and kissin' and lovin' and touchin' you)
Never will be too late
(To see myself through your eyes)
Baby, I can wait
(Until the day I hear you say)
You are mine
There's no other one for me
Keep in mind
You make my life complete
And tonight
We'll make love endlessly
'Cause you're mine
You're the one that I'll keep for all time
Now that you're here, boy
I'm never gonna let you go
Can I touch you there, oh
Do you mind if we kiss real slow
You're my everything
You're my hopes and dreams
Baby, you know it ain't no lie
I'm gonna be with you till the day that I die
Baby, I can wait
(Come on over here and let me lead the way)
Let me take your breath away
(By holdin' and kissin' and lovin' and touchin' you)
Never will be too late
(To see myself through your eyes)
Baby, I can wait
(No no, 'til the day I hear you say)

You are mine
There's no other one for me

Keep in mind
You make my life complete
And tonight
We'll make love endlessly
'Cause you're mine
You're the one that I'll keep for all time
You're the one that lights my fire
You're the one that keeps me strong
You're the one that I depend on
When my world is goin' wrong
You're the one that I hold closer
You're the man I'm dreaming of
And I really, really love you
I just want you to know that
You are mine
There's no other one for me
Keep in mind
You make my life complete
And tonight
We'll make love endlessly
'Cause you're mine
You're the one that I'll keep
You are mine
There's no other one for me
Keep in mind
You make my life complete
And tonight
We'll make love endlessly
'Cause you're mine
You're the one that I'll keep for all time
I can't wait till the day
When I hear you say
You're the one that I need
You're the one that I'll keep for all time
