Black Roses (Single Edit V. 2)

Blutengel

I was addicted to her smile
So much temptation in her eyes
I love the way she touched me
Her beauty made me weak
She gave me so much pleasures
She promised everything
I know that she was lying
But I can't resistI'm searching in the darkness
For my love, she disappeared
She left me without answers
I know she will not return
The night is full of roses
Black roses in my heart
I was to weak to follow her
Now everything falls apartI was addicted to her smile
So much temptation in her eyes
I love the way she touched me
Her beauty made me weak
She gave me so much pleasures
She promised everything
I know that she was lying
But I can't resistI'm searching in the darkness
For my love she disappeared
She left me without answers
I know she will not return
The night is full of roses
Black roses in my heart
I was to weak to follow her
Now everything falls apart
