

All-Right (Oh, Yeah)

Local H

Well alright, oh yeah

Well alright, oh yeah

Well alright, oh yeah

Alright, oh yeah

Alright, oh yeah

Alright, oh yeahHere we go, I'm back again

Act surprised when I come in

It's only me

It's only stupid meYou could never figure out

What was all the fuss about

I know its me

It's only stupid me

So stupid meAlright, oh yeah

Alright, oh yeah

Alright, oh yeahSickel-cell anemia

Carpal tunnel and boleemia

Don't get sick

It's only stupid meYou think you got the real deal

Damaged goods are such a steal

It serves you right

It's only stupid me

So stupid meAlrightAlright, oh yeah

Alright, oh yeah

Alright, oh yeahI see you coming round again

Pushed aside and muscle in

When everything is said and done its me

It's only stupid meAlright, oh yeah

Alright, oh yeah

Alright, oh yeah
