

# Ditch That

## The Dream

After we leave  
Be all you need  
Are those Victorias Secrets?  
Let me see  
Whats your fee?  
Never mind baby, you owe me  
For them drinks at the bar  
And for smoking this weedHe aint like me  
I can make your days and nights  
Look like fantasy  
He aint got nothing on me  
My garage looks like the Dupont registry  
Im so superb  
Shawty whats the word?  
If you lookin for love, love, love  
I give you what you deserveBring your a\*\* to the crib  
Ditch dat ni\*\*a  
You trying to f\*\*k or you still playin?  
Ditch dat ni\*\*a  
You need a grown a\*\* man girl  
Ditch dat ni\*\*a  
Understand what Im sayin girl?Ditch dat ni\*\*a  
Got her out on the floor like  
Ditch dat ni\*\*a  
I got em out on the floor like  
Ditch dat ni\*\*a  
I got em out on the floor like  
Ditch dat ni\*\*a  
I got em out on the floor likeDitch dat ni\*\*a  
I got em up in the club  
Ditch dat ni\*\*a  
I got em up in the club  
Ditch dat ni\*\*a

Ditch dat ni\*\*a

Shes laid up in my Rolls  
She got your text

Do you want to get it?  
She said, Not yet  
After the finale  
She got you on the phone  
Said that she wasnt coming home  
Then shes downloading my ringtoneHe aint like me  
I can make your days and nights  
Look like fantasy  
He aint got nothing on me  
My garage looks like the Dupont registry  
Im so superb  
Shawty whats the word?  
If you lookin for love, love, love  
I give you what you deserveBring your a\*\* to the crib  
Ditch dat ni\*\*a  
You trying to f\*\*k or you still playin?  
Ditch dat ni\*\*a  
You need a grown a\*\* man girl  
Ditch dat ni\*\*a

Ditch dat ni\*\*a

Now I got what she want  
And she see what she want in me  
And I aint here to beef  
Even though you fightin  
Let it be  
Shes coming with me  
Shes leavin with me  
Shes coming with me  
Shes leavin with me Now put the back out on this b\*\*ch  
Know you got a little money  
In the club talkin honey  
Heard you got a little car  
But she comin with me, me, me, me, me, me  
'Cause I got a lot of love  
Now she wanna be my girl  
Keep throwin that money up  
Shes comin with me, me, me
