

# Thank You

## Ayo

Righteous I wasn't always  
How many sins I don't know  
I betrayed lied and I cheated  
But still you would guide me through  
In times I turned my back on you  
You would still be there and that's why I wanna thank you Lord Thank you (thank you)  
For everything (thank you)  
For all the blessings (thank you)  
And for all the lessons Thank you (thank you)  
For the light you bring (thank you)  
And for taking care of me  
Mercy is what you had on me  
Whenever I truly was in need  
Faith and strength is what you gave me  
You made me stronger than I thought I could ever be Thank you  
For everything  
Thank you for all the blessings  
Thank you for all the lessons Thank you  
For the light you bring to me  
Thank you Lord thank you Lord  
Thank you for simply everything Thank you (thank you)  
For everything (thank you)  
For all the blessings (thank you)  
And for all the lessons  
Thank you (thank you)  
For the joy you bring to me (thank you)  
Thank you Lord (thank you)  
Thank you Lord  
Thank you thank you thank you  
Thank you ...for everything.  
Thank you
