

# Closer Now

## Kimmy Snyder

Believe you might stumble and come closer  
I like to wake alone, to lie and turn to stone  
    Comfort me, come to me, I won't go on  
I like to walk along, to keep my head screwed on  
Well, I'm the best, so well done me, I won't go on  
    Believing, believing  
I believe you might stumble and come closer now  
If I stay then I'm alone, if I go then it will mean  
    Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
    So you leave me on my own to live the pattern of my life  
    Believe you might stumble and come closer now  
        Make time to be all this and more for me  
Well, you're the best, so well done you, I won't go on  
    Believing, believing  
I believe you might turn from your love, wait around  
If I go here I'm alone, if I stay then it will mean  
    Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
    So you leave me on my own to live the pattern of my life  
    Believe you might turn from your love, wait around  
        If I stay then I'm alone, if I go then it will mean  
        Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
    You just leave me on my own to live the pattern of my life  
        If I stay then I'm alone, if I go then it will mean  
        Waiting on my own, it's the pattern of my life  
When you care and you cannot feel and you know that it's for real  
    So you just leave me on my own to live the pattern of my life  
    Believe you might stumble and come closer now
