

Fashionable

Mikirurka

I am old when it is
Fashionable to be young

I cry when it is
Fashionable to laugh
I love you when it is
Fashionable to hate you
I love you when it is
Fashionable to hate you

Chorus:
I really don't know you

I am poor when it is
Fashionable to be rich
I am drunk when it is
Fashionable to be sober
I love you when it is
Fashionable to hate you
I love you when it is
Fashionable to hate you

Chorus:
I really don't know you
