

Down in Flames

BlackHawk

No one dreams in this ol town, no more
They dont look down that windin road
Wonderin where it goesBut when I hold you, I can see
All the places it could lead
They say were crazy, I dont care
We could make it anywhereLets ride the wind
Down this old road tonight
Lets pack our dreams
And leave the rest behindThey say love this hot
Can be a dangerous thing
Come on darlin
Lets go down in flamesI dont know or care
Where this road leads
Just as long as at the end
Its you and meWe can feel our hearts, beggin us to go
If we dont leave now, well never know
And if our love should crash and burn
Well take that chance, for all its worthLets ride the wind
Down this old road tonight
Lets pack our dreams
And leave the rest behindThey say love this hot
Can be a dangerous thing
Come on darlin
Lets go down in flamesSo take my hand
You know were right
Dont look back
Just hold on tightLets ride the wind
Down this old road tonight
Lets pack our dreams
And leave the rest behindThey say love this hot
Can be a dangerous thing
Come on darlin
Lets go down in flames
Come on darlin
Lets go down in flames
