

# Hold On

## Triumph

Music holds the secret  
To know it can make you whole  
It's not just a game of notes  
It's the sounds inside your soul  
Magic of the melody  
Runs through you like a stream  
The notes that play flow through your head  
Like a dream, like a dream  
I sing this song for the common man  
For the people in despair  
I bring my song into the world  
And I sing it everywhere  
The simple truth lies waitin' here  
For everyone to share  
So hold on, and I will take you there  
Hold on and I will take you there  
Daily routine takes your soul  
Lost without a trace  
It hold you down and turns you 'round  
And puts you in your place  
Another day, another dollar  
Another pretty face  
Another chance to lose yourself  
In the endless race  
Hold on, hold on to your dreams  
Hold on, even though it seems  
Everyone around you has their little schemes  
Listen to your heart and hold on to your dreams  
Can't you feel the magic?  
Feel it everywhere  
Can't you hear the music?  
There's something in the air  
There's a celebration  
Deep within a song  
Celebrate this feeling  
You know it can't be wrong  
Hold on, hold on to your dreams  
Hold on, even though it seems  
Everyone around you has their little schemes  
Listen to your heart and hold on to your dreams  
Hold on, hold on  
Caught up in routine, you got to break it  
Time won't wait for us, we got to make it  
Fate gives you the chance, you've got to take it, take it  
Hold on, hold on  
Hold on, hold on  
Hold on, hold on
