

Hey Ho

Gin Wigmore

I hear you're leavin town
And I am feelin down
You should know
That nothin' leaves my side I'm gonna come around
I'm gonna shoot you down
You knocked my crown
Now you'll go six feet underground Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel Hey ho, nobody knows
You're not coming home
Hey ho, nobody knows
You're not coming home Don't you take me here
(Don't you take me here)
Don't you touch me there
(Touch me there)
I am diggin' your grave
And you stay there Can you see the light?
(Can you see the light?)
And think you're still alive
(Still alive) Believe me, baby
You won't come back again
(You won't come back again) Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel Hey ho, nobody knows
You're not coming home
Hey ho, nobody knows
You're not coming home It didn't have to be this way
Playing games and lost one day
Have mercy on my lonely soul
It wasn't me, it was you, you know Your lies have broke my life
Say goodbye my angel
I gave you all my love
To sleep alone my angel Your lies have broke my life
Say goodbye my angel Hey ho, nobody knows
You're not coming home
Hey ho, nobody knows
You're not coming home Hey ho, nobody knows

You're not coming home
Hey ho, nobody knows
You're not coming home
