Hey Ho

Gin Wigmore

I hear you're leavin town

And I am feelin down

You should know

That nothin' leaves my sideI'm gonna come around

I'm gonna shoot you down

You knocked my crown

Now you'll go six feet undergroundYour lies have broke my life

Say goodbye my angel

I gave you all my love

To sleep alone my angelHey ho, nobody knows

You're not coming home

Hey ho, nobody knows

You're not coming homeDon't you take me here

(Don't you take me here)

Don't you touch me there

(Touch me there)

I am diggin' your grave

And you stay thereCan you see the light?

(Can you see the light?)

And think you're still alive

(Still alive)Believe me, baby

You won't come back again

(You won't come back again) Your lies have broke my life

Say goodbye my angel

I gave you all my love

To sleep alone my angelHey ho, nobody knows

You're not coming home

Hey ho, nobody knows

You're not coming homeIt didn't have to be this way

Playing games and lost one day

Have mercy on my lonely soul

It wasn't me, it was you, you know Your lies have broke my life

Say goodbye my angel

I gave you all my love

To sleep alone my angelYour lies have broke my life

Say goodbye my angelHey ho, nobody knows

You're not coming home

Hey ho, nobody knows

You're not coming homeHey ho, nobody knows

You're not coming home Hey ho, nobody knows You're not coming home
