

# Words Of Wisdom

## Europe

So many words has passed through my mind  
Never thought I'd be so blind  
I wish I could understand you So many things I've heard and seen  
But still I don't know what you mean  
When you say, "I'm leaving you" I wish I could remember  
Everything I've learned I've tried and I've tried to be so good  
And I know I should  
Say something before you go 'Cause every time I've done something wrong  
It's so hard to be strong  
Gone are the feelings I want to show I wish I could remember  
Everything I've learned Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom  
Oh, so much more Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom  
Oh, so much more Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom  
Oh, so much more Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom  
Oh, so much more Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom  
Oh, so much more Oh, words of wisdom  
Oh, teach me more  
Oh, words of wisdom
