

Leave Me Alone (Commentary by Gregg Rolie)

Santana

You told me in the morning light
The meaning of love has changed
I should've known it
...'cause it feels like you're sleeping away
Hold on, little darlin'
How can I make you stay?
Oh no, no, no,
No, I never wanna have to say Leave me alone
Leave me alone
Don't make me feel this way
Chill to the bone - I'm all alone
I don't wanna feel this way
Oh...oh...oh
Oh...oh...oh
Oh...oh...oh
Oh...oh...oh My heart is open with a chance you will take it away
And leave me with an empty world
...It doesn't have to be this way
Baby, don't go...
For love that we made Don't go, don't go, don't go
I never wanna say Leave me alone
Leave me alone
Don't make me feel this way
Chill to the bone - I'm all alone
I don't wanna feel this way
Oh...oh...oh
Oh...oh...oh
Oh...oh...oh
Oh...oh...oh Oh...oh...oh
Oh...oh...oh
Oh...oh...oh
Oh...oh...oh
