From Head To Toe

Elvis Costello

Oh, well, now you're the girl I'm simply mad about.
Oh yes, I'm really glad it's been me. Oh yeah.
I hope that you've been getting ready,
Cause I'm gonna ask you to go steady with me.
I got two eyes that happened by ya,
And when they saw you, they said they knew you were fine.
I got two lips that long to kiss you,
And when they speak, they say they wish you were mine.Hey, sweet baby, oh don't you know that I am yours from head to toe.
Oh, I got a little heart inside me beating
And when it speaks it keeps repeating your name all the time.
You better watch out 'cause of what I say
Cause baby, don't you know that I ain't playing a game?Hey, sweet baby, oh don't you know that I am yours from head to toe.
All the way down from the top to the ground, sweet baby.I got two legs and I got two feet that always take me to your street
Everyday, all the time.
No matter which way I try to go, my legs and my feet
They seem to know the way.
