

# Listen

## Dreamgirls Movie Cast

Listen in the places you hide  
Listen through the stillness inside  
    Yeah, yeah, yeah listen  
To the words that are near  
    And try to hear  
Listen take one less step away  
Please listen love may persuade you to stay  
    Yeah, yeah, yeah baby listen  
Past the sound of your fear  
    And try to hear  
Two hearts that doubted now beg to believe  
Aching in silence each whispers a plea  
    Secrets of longing kept buried away  
Sadly their calling grows weaker each day, yeah  
Please listen for hope that's been left behind  
    Listen to the small traces you find  
    Yeah, yeah, baby please listen  
    Before this chance disappears  
  
    And try to hear  
Listen in the places you hide  
Yeah, listen through the stillness inside  
    Please, please, baby listen  
    For the love that is near  
    And try to hear  
Listen take one less step away  
    Yeah, yeah, yeah, listen  
    Don't run so far off today  
    Please, please, baby listen  
    Push aside all your fears  
    And try to hear  
    Yeah, listen  
    Listen, please, baby listen  
    Yeah, yeah, yeah, baby listen  
    Past the sound of all fears  
    And try to hear
