Lyrics for Idinma by Florocka

you have been more than just a friend
you've been a father to me
you have been more than just a healer
you've been my covering
what can i say
what can i do lord
to show my appreciation
for what you done for me
i can comprehend you love
why u are faithful to me
i can count a many vision
for u delivered me
who am i that you are mindfull of me
you are my father and i am your son. hei

idinma!!
you are more than able to satisfy me
idinma you are my portion
u are everything to me

it beats my imagination
that a God like u will crucify your only son for me
you paid the ultimate price with yor life
to bring me back to the father
u put shame to the face of lucifer
your love for me lord is unimaginable
nothin the heavens
nothing in the earth can ever define his love
i will never ever let you go
lord jesus
right here right now
you are my God
