

# Can't Let You Know

[Nick Roes](#)

I could be your buddy maybe get you to smile,  
But youâ€™re not always near so Iâ€™ll just wait awhile.  
We could laugh together we could play silly games,  
But youâ€™re not always near, so things just stay the same.  
La, La, Laâ€¦..

I might make you laugh or we could go to a bar,  
But youâ€™re not always near so things donâ€™t get to far.  
I can think about you; I can write you a song,  
But I canâ€™t let you know Iâ€™ve loved you all along.  
La, La, Laâ€¦..
