Be My Escape

Relient K

I've given up on giving up slowly
I'm blending in so You won't even know me
Apart from this whole world that shares my fateThis one last bullet you mention
Is my one last shot at redemption
Because I know to live you must give your life awayAnd I've been housing all this doubt and insecurity
And I've been locked inside that house all the while You hold the key
And I've been dying to get out and that might be the death of meAnd even though there's no way in knowing
Where to go I promise I'm going becauseI gotta get outta here
I'm stuck inside this rut that I fell into by mistake
I gotta get outta here
And I'm begging You, I'm begging You, I'm begging You
To be my escapeI'm giving up on doing this alone now
Cause I've failed and I'm ready to be shown how
He's told me the way and I'm trying to get thereAnd this life sentence that I'm serving
I admit that I'm every bit deserving
But the beauty of grace is that it makes life not fairCause I've been housing all this doubt and insecurity
And I've been locked inside that house all the while You hold the key
And I've been dying to get out and that might be the death of meAnd even though there's no way in knowing
Where to go I promise I'm going becauseI gotta get outta here
Cause I'm afraid that this complacency is something I can't shake
I gotta get outta here
And I'm begging You, I'm begging You, I'm begging You
To be my escapeI am a hostage to my own humanity
Self-detained and forced to live in this mess I've made
And all I'm asking is for You to do what You can with me
But I can't ask You to give what You already gaveCause I've been housing all this doubt and insecurity
And I've been locked inside that house all the while you hold the key
And I've been dying to get out, that might be the death of meAnd even though there's no way in knowing
Where to go I promise I'm going becauseI've gotta get outta here
I'm stuck inside this rut that I fell into by mistake
I've gotta get outta here
And I'm begging You, I'm begging You, I'm begging You
To be my escapeI fought You for so long
I should have let You in
Oh how we regret those things we doAnd all I was trying to do
Was save my own skin
But so were You
So were You
