

Can You Feel the Love Tonight

[Elliott Yamin](#)

There's a calm surrender
To the rush of day
When the heat
Of a rolling world
Can be turned awayAn enchanted moment
And it sees me through
It's enough
For this restless warrior
Just to be with youAnd can you feel
The love tonight?
It is where we are
It's enough
For this wide-eyed wanderer
That we've got this farAnd can you feel
The love tonight
How it's laid to rest?
It's enough
To make kings and vagabonds
Believe the very bestThere's a time for everyone
If they only learn
That the twisting kaleidoscope
Moves us all in turnThere's a rhyme and reason
To the wild outdoors
When the heart of this
Star-crossed voyager
Beats in time with yoursAnd can you feel
The love tonight?
It is where we are
It's enough for this
Wide-eyed wanderer
That we've got this farAnd can you feel
The love tonight?
How it's laid to rest?
It's enough
To make kings and vagabonds
Believe the very bestIt's enough
To make kings and vagabonds
Believe the very best
