

A Night to Remember

Foreigner

I can't sleep tonight
I won't sleep tomorrow
I'm goin' deep and tight
I don't need no excuse
I feel mean tonight
One-eyed jacks and aces
Read 'em and weep tonight
I'm gonna let all hell break loose I want drums like thunder
Gimme guitars that scream
One woman who could shake me
Yeah, be my love machine I need a love machine
to keep my motor running
Upon the big wide screen
I want to see it all
Yeah, we'll be lean and mean
We'll be synchronized together
Me and my love machine
We're gonna do it all I want drums like thunder
Gimme guitars that scream
One woman who can rock me
Yeah, my little love machine We're gonna make tonight
A night to remember
We're going hard and strong
Again and again
Yeah, we're gonna make tonight
A night to remember
Yeah we're gonna take tonight
Right to the end I need drums like thunder
Gimme guitars that scream
One woman who can rock me
I need a love machine We gotta make tonight
A night to remember
We're goin' hard and strong
Again and again Yeah, we're gonna make tonight
A night to remember
Yeah we're goin' for a night
A night without end We gotta make tonight
A night to remember
We're goin' hard and strong

Again and again We're gonna make tonight
A night to remember
Yeah we're gonna take tonight
Right to the end
