

I'm With You

Avril Lavigne

Advisory - the following lyrics contain explicit language:

I'm standing on a bridge
I'm waitin' in the dark
I thought that you'd be here by now
There's nothing but the rain
No footsteps on the ground
I'm listening but there's no sound
Isn't anyone tryin' to find me?
Won't somebody come take me home
It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm looking for a place
I'm searching for a face
Is anybody here I know
Cause nothings going right
And everything's a mess
And no one likes to be alone
Isn't anyone tryin' to find me?
Won't somebody come take me home
It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
Oh why is everything so confusing
Maybe I'm just out of my mind
Yea yea yea
It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
Take me by the hand

Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you Take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you
I'm with you
