

Lover's Lullaby

Townes Van Zandt

Dreams that have flown down the hall
Tears that were sown on despair
Summer's turned fall, they don't matter at all
When I wake and find you lying there
Sweet silence and soft auburn hair
Blues gonna dance through the sky
Time's gonna roll soft as rain
Sigh after sigh is gonna pass by and by
When I gaze into your brown eyes again
Ah, love is gonna fly on the wind
All the things I've seen and the places that I've been
Don't mean a thing since I found you
All that matters now since I've won your love somehow
Are these plans that I keep makin' not to lose you
So sleep till the moon slips away
I'm hopin' all you're dreamin' comes true
When you rise with the day I might not have too much to say
But you know that doesn't mean that I don't love you
Ah, you know that doesn't mean that I don't love you
All the things I've seen and the places that I've been
Don't mean a thing since I found you
All that matters now since I've won your love somehow
Are these plans that I keep makin' not to lose you
Dreams that have flown down the hall
Screams that were sown on despair
Summer's turned fall, it don't matter at all
When I wake and find you lying there
Sweet silence and soft auburn hair
Sweet silence and soft auburn hair
