## What So Not

I want it, I want it  
I want it  
I want it, I want it  
I want it

JAGUAR track

JAGUAR track

I want it, I want it  
I want it  
I want it, I want it  
I want it

I need you walking with me, too

JAGUAR track

Never into me  
I don't know where I go  
And never make my soul at ease  
And then never again  
Never

JAGUAR track

Never into me
