

# Guilty of Love (Radio Edit)

## Unloved

Mistakes I've made,  
whether mine or happenstance,  
wrong or right,  
I'm guilty of love  
I confess. Haunted all too often it seems  
in my thoughts  
and in my dreams,  
I make no excuse.  
I did my part.  
I have broken hearts.  
I will never forget,  
will always regret,  
what I have done and cannot undo  
but I can only guess how I  
disappointed you. It would be unfair to think  
to apologize would suffice.  
For what it's worth,  
whatever I get  
will be justified.  
Followed my desire with no regard to chance, what a fool I was.  
What trickery romance.  
Guilty of love  
I confess,  
for this I am sentenced  
to life  
loving you.
