

Adrenaline

Gavin Rossdale

You don't feel the pain
Too much is not enough
Nobody said this stuff makes any sense
We're hooked again
The point of no return
See, how the buildings burn
Light up the night, such pretty sight
Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes adrenaline
You don't feel the pain
Sail through an empty night
It's only you and I who understand
There is no plan
Get closer to the thrill
Only time can kill
It's in your eyes is so alive
Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes adrenaline
Run through the speed of sound
Every thing slows you down
And all colors that surround you
Are bleeding to the walls
All the things you really need
Just wait to find the speed
Then you will achieve escape velocity
Too much is not enough
Nobody gave it up
I'm not the kind to lay down and die
Adrenaline keeps me in the game
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams
When you're going to extremes, it takes adrenaline
Adrenaline, screaming out your name
Adrenaline, you don't even feel the pain
Wilder than your wildest dreams

When you're going to extremes, it takes adrenaline

Oh, you don't even feel pain

Oh, you don't even feel pain

I'm going to extremes

I'm going to extremes

Oh, you don't even feel pain

You don't even feel pain

I'm going to extremes

[Incomprehensible] in the pain

And I'm going to extremes

There is nothing in between

There is nothing in between

And I'm going to extremes

And I'm going to extremes

There is nothing in between

You don't even feel pain

You don't even feel pain

You don't even feel pain
