

Dignity?

Heideroosjes

They cheat, they lie, they pay, they buy
Don't ask, don't think, don't act, don't blink
Play dumb, good dog, shut up, King frog
Cheap sex, cheap whore, cheap life, cheap core WHERE IS YOUR DIGNITY? You vote, your choice, they fear,
your voice
It's fake, it's show, it's dirty, it's low
They laugh, they fuck
You're scum, you suck
They win, you lose, let's quit? you choose! WHERE IS YOUR DIGNITY? Try to refuse what you can't resist
