

# Work It Out (Audio) ft. Digital Farm Animals

[Netsky](#)

Don't you walk away  
I've given too much of me  
Can't you understand?  
I know that it's hard to see  
But time is on our hands  
And I don't wanna waste no more  
I can't afford to lose you But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down
