Didn't Cha Know

D.J. 2-Tone Jones

Didn't cha know
Oh heyOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn
Back there somewhereOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn
Back there somewhereDidn't cha know, didn't cha know
Tried to move but I lost my way
Didn't cha know, didn't cha know
Stopped to watch my emotions swayDidn't cha know, didn't cha know
Knew the toll, but I would not pay
Didn't cha know, didn't cha know
Cause you never know where the cards may layTime to save the world
Where in the world is all the time
So many things I still don't know
So many times I've changed my mindGuess I was born to make mistakes
But I ain't scared to take the weight
So when I stumble off the path
I know my heart will guide me backOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn
Back there somewhereOoh hey
I'm trying to decide
Which way to go
I think I made a wrong turn
Back there somewhereDidn't cha know, didn't cha know
Tried to run but I lost my way
Didn't cha know, didn't cha know
Stopped to watch my emotions swayDidn't cha know, didn't cha know
Knew the toll, but I would not pay
Didn't cha know, didn't cha know
Cause you never know where the cards may layLove is life and life is free
Take a ride on life with me
Free your mind and find your way
There will be a brighter dayLove is life and life is free

Take a ride on life with me
Free your mind and find your way
There will be a brighter day
