Diana Vickers

This wasn't supposed to happen
I was happy by myself
Accidentally you seduced me
I'm in love again
I lie in my bed, totally still
My eyes wide open, I'm in rapture
I don't believe this
I'm in love again
This wasn't supposed to happen
I've been hit with your charm
How could you do this to me?
I'm in love again
I lie in my bed, totally still
My eyes wide open, I'm in rapture
I don't believe this
I'm in love again
I lie in my bed, totally still
My eyes wide open, I'm in rapture
I don't believe this
I'm in love again
You've put a seed inside me
And while you're away
It's growing silently
Starts in my stomach
Embraces my insides
And about to reach my heart
This wasn't supposed to happen
I'm in love again
