

# The Bridge

## Clinic

Bits of batter cook in the glow  
You need the love, you need it to show  
Come come come oh now we know  
You need the love, you need it to show(Ooh)  
Come and glow  
(Ooh)  
Its good as ever  
Good as ever closeLook at all the sun on the waves  
You need the love, you need it today  
Come come it's never too late  
You need the love, you need it today(Ooh, ooh)  
Come and glow  
(Ooh)  
Its good as ever  
Good as ever closeMeet the sun on bridge out of sight  
You need the love, you need it to die  
Come come you know that is time  
You need the love, you need it to show(Ooh, hmm)  
Come and glow  
(Ooh)  
Its good as ever  
Good as ever closeOoh, on the bridge  
Ooh, on the bridge  
Ooh, on the bridge
