

Searchin' (I Gotta Find a Man) [12'' Version]

Hazell Dean

Searchin' and seekin'
Never sleepin'
I've got to find me a man.
I want no disguises
Just surprises
Someone who I'll understand.
I don't need a guy who spends only one night
Then tell me he's got no more time.
I'm looking for someone to share my life
I better move on down the line. Searchin'
Looking for love
All the time I can.
Searchin'
Looking for love
I've got to find a man. Some guys excite me
But don't invite me.
They don't even notice it seems
I'm always waiting
Anticipating.
I long for the man of my dreams. He needn't be handsome
Have fortune or fame
He just gotta be sweet and kind
But there's so many wanting
Or needing the same
I gotta move on down the line. Searchin'
Looking for love
All the time I can
Searchin'
Looking for love
I gotta find a man Searchin'
Looking for love
In every place I can
Searchin'
Looking for love
I gotta find a man I don't need a guy who spends only one night
Then tell me he's got no more time.
I'm looking for someone to share my life
I better move on down the line. Searchin'
Looking for love

All the time I can
Searchin'
Looking for love
I gotta find a man
