

Darkness

Leonard Cohen

I caught the darkness, it was drinking from your cup
I caught the darkness drinking from your cup
I said is this contagious?
You said just drink it up. I got no future,
I know my days are few
The present's not that pleasant
Just a lot of things to do
I thought the past would last me
But the darkness got that too. I shoulda seen it coming
It was right behind your eyes
You were young and it was summer
I just had to take a dive
When I knew was easy, the darkness was the price. I don't smoke no cigarette, I don't drink no alcohol
I ain't had much loving yet
But that's always been your call
Hey I don't miss it baby
I got no taste for anything at all. I used to love the rainbow
And I used to love the view
Another early morning, I'd pretend that it was you
But I caught the darkness baby
And I got it worse than you. I caught the darkness, it was drinking from your cup
I caught the darkness, drinking from your cup
I said is this contagious?
You said just drink it up
