Windeer Woman

Blue Sky Riders

Silently my windeer woman
Off to the side the sea
Nobody knows her, nobody supposes
It used to be
All alone she sits and wonders
WhatÃ¢s gonna happen to me
Why do I run when I know that someoneÃ¢s
Coming close to meBut tonight weÃ¢ll act like itÃ¢s forever
When I ask I rips you leather
Go away, she throws it round and round me
Swears sheÃ¢s never leaving
Well I, will try not to break the spell
I know that girl too well
From the moment I love her right
She was already saying goodbye
Something about a windeer woman
Makes a man think heÃ¢s the one
You give her a shoulder to have and to hold her
All lifetime long
But you never keep a windeer woman
But she wants to believe you can
You think that you know her
Right up to the moment
She slips through your handsBut tonight weÃ¢ll act like itÃ¢s forever
When I ask I rips you leather
Go away, she throws it round and round me
Swears sheÃ¢s never leaving
Well I, will try not to break the spell
I know that girl too well
From the moment I love her right
She was already saying goodbye
Any fool can tell you how the storyÃ¢s ending
But IÃ¢m the fool who keeps pretending
That my love, my love, is ever gonna be aloneBut tonight weÃ¢ll act like itÃ¢s forever
When I ask I rips you leather
Go away, she throws it round and round me
Swears sheÃ¢s never leaving
Well I, will try not to break the spell
I know that girl too well

From the moment I love her right
She was already saying goodbye.
