

Deth Red Moon

Advisory - the following lyrics contain explicit language:

Deth Red Moon
Long
Are The Twisted Vines
Growing & Knarled Inside Look & You'll Find
That They Never Die Long
Are The Twisted Vines Deth Red Moon
Going Down
Deth Red Moon
Burning Down Cold
Is The Wailing Night
Gone Are The Tranquil Skies
Look Round You'll See
All The Longing Eyes
Cold
Is The Wailing Night Deth Red Moon
Going Down
Deth Red Moon
Burning Down & There's No Escaping
From This Hell It's Making
& There's No Escaping Now
Burning Down
Deth Red Moon
Going Down
Deth Red Moon
