

Man Ain't Supposed To Cry

Marc Broussard

They say a man ain't supposed to cry
But I can't seem to stop these tears
It's too hard living life without a friend
To help me smile
If my tears could bring you back to me
I'd gladly cry a thousand years
Thinking 'bout the feel I get to see your face
And say, old friend
I'm happy to see you again. These walls are not the same
Sunny, you have gone and changed
You've changed it all
I'm so tired of the pain
I would live as good as explaining the pain (?)
Carry it all
I don't know why
But I know I miss you That's why they say a man ain't supposed to cry
But I can't seem to stop these tears
It's too hard living life without a friend
To help me smile
If my tears could bring you back to me
I'd gladly cry a thousand years
Thinking 'bout the feel I get to see your face
And say, old friend
I'm happy to see you again. The decisions we all make
So written on the page
It's written on your face
You can try to turn that corner
But when you're so deep in the water
Tryna see the break
What can you take?
Who's gonna save me? That's why they say a man ain't supposed to cry
But I can't seem to stop these tears
It's too hard living life without a friend
To help me smile
If my tears could bring you back to me
I'd gladly cry a thousand years
Thinking 'bout the feel I get to see your face
And say, old friend
I'm happy to see you again, oh. It won't be long, no, now, now

When I get to see your face, oh
They say a man ain't supposed to cry
But I can't seem to stop these tears
It's too hard living life without a friend
To help me smile
If my tears could bring you back to me
I'd gladly cry a thousand years
Thinking 'bout the feel I get to see your face
And say, old friend
I'm happy to see you again.
No, no, that a man, no. No, no, that a man, no. I just wish I had my friend, now. Oh,
oh, oh.
