

Hypnotize

System of a Down

Why don't you ask the kids at Tiananmen Square?
Was fashion the reason why they were there?
They disguise it, hypnotize it
Television made you buy it I'm just sitting in my car and waiting for my
She's scared that I will take her away
from there
Dreams that her country left with no one there
Mesmerize the simple minded
Propaganda leaves us blinded I'm just sitting in my car and waiting for my girl
I'm just sitting in my car and waiting for my girl I'm just sitting in my car and waiting for my girl
I'm just sitting in my car and waiting for my
Girl
