

# Run Between The Raindrops

Pat Benatar

It's always one thing or another, seems like we never get ahead  
Reachin' out for the brass ring and landin' in the dirt instead  
We can't get past yesterday, we're only countin' down from ten  
It seems like every move we make, brings us back where we began  
You've gotta run between the raindrops  
If you wanna see the sun  
Run, run, run, between the raindrops  
Run between the raindrops  
If you wanna see the sun  
You got to run, run, run, run baby run  
Somewhere there's a sun that's shinin'  
Somewhere we'll find a life that's good  
Some way I'm gonna make it happen  
Just like you always knew I could  
We're treading water on a river of tears

And I don't know what to do  
I can take a beatin' but I ain't gonna let it happen to you  
You know, I can't let it happen to you  
You've got to run between the raindrops, ooh  
Run, run, run between the raindrops  
If you wanna see the sun  
You got to run, run, run, run baby run  
You got to run between the raindrops  
Ohh, run between the raindrops  
If you wanna see the sun  
You gotta run, run, run, run baby run  
Ooh ooh ooh ooh ooh ooh  
You got to run, run, run, run baby run
