

# Hombrecito (Little Man)

Barbara y Dick

Little Man

Sonny & Cher

Little man, when you stand by my side  
Then I know I don't have to hide from anyone  
And I pray that we'll stay just that way  
'Till the day comes along when we catch the sun.

Little girl you're runnin'

Come catch my hand I'm near you

Little girl you're singin'

Come close to me I hear you

You're growin' old, my mother's cold

Now it's time that you learned what it meant to be mature

There's no such place as make believe

But when I look at your face,

I'm not so sure

Little girl you're runnin'

Come catch my hand I'm near you

Little girl you're singin'

Come close to me I hear you

You and me is what I see

And that's the way its gonna stay and it will always be

So little man, please understand

In this world with all its land

You're all I see

Little girl you're runnin'

Come catch my hand I'm near you

Little girl you're singin'

Come close to me I hear you

Little girl you're runnin'

Come catch my hand I'm near you

Little girl you're singin'

Come close to me I hear you
