New Years Resolution

Lootpack

My New Year's resolution
This is my New Year's resolution
Spontaneous freestyles are the solution
Crazy hip hop and you don't stopDon't believe what you believe or believe what you believe
And end up being those MC's who be leaving
Don't believe what you believe, believe what you believe
And end up being those MC's who be leavingFor the new year I swear, this rhyme be rare when you hear
A Madlib drum, bass kick, snare
Wild Child compiles styles down for your ear
LP for you and yours, loud and clearWhen the first Lootpack era began a demo tape was formed
Unexpectedly, wack A and R's swarmed and started a cosmic storm
Everywhere I turned got burned thus learned I must earn
Full acknowledgment of this whole rap game on my ownRealizing I couldn't get mad at labels, labels weren't able
To see the rhythmic era Wild Child was throwing at the table
I said, "Honestly, I couldn't get mad at a little blind person"
Who would sleep on a Lootpack LP and ask me to define versing?I defy rehearsing, specifically I defy all those who apply cursing
To their limited freestyles they kick
When it's time to unlock those lyrical glock flows, I dip, dip dive
Madlib rush from the left as we kick ish liveI can rhyme, a spontaneous freestylin' rhyme
I just concentrate on my ish 'cause I got props to getFor the new year I swear, this rhyme be rare when you hear
A Madlib drum, bass kick, snare
Wild Child compiles styles down for your ear
LP for you and yours, loud and clearThere's no advantage one gains when sustaining two faces
The disadvantage of being two-faced, you can't be in two places
Who races against the law of physics supplying logic
Can't avoid being destroyed by Wild Child, so why dodge it?When it comes to dropping freestyles, Wild Child front and center
Like Jack Nicholson at Laker games, it's time for the pack to enter
An atmosphere where most record labels be making clones
Pre-programming the artists so it's like it's all about making bonesI'm the type of MC to drop rhymes with the unexpected
Come with some unstereotype of rhymes that mad unpredicted
That type of artist, pointing out MC's who try to be the hardest
Props to the Jackson family for the influence they've taught us'Cause I can rhyme, a spontaneous freestylin' rhyme
I just concentrate on my ish 'cause I got props to getFor the new year I swear, this rhyme be rare when you hear
A Madlib drum, bass kick, snare

Wild Child compiles styles down for your ear
LP for you and yours, loud and clearDon't believe what you believe, believe what you believe
And end up being those MC's who be leaving
Don't believe what you believe, believe what you believe
And end up being those MC's who be leavingResolution, this is my new year's resolution
Spontaneous freestyles are the solution, yeah
Crazy hip hop and you don't stop
Crazy hip hop, crazy hip hop and you don't stop
