In Your Arms

NERVO

The sun goes down
The lights come out
The night goes cold around me
The traffic stops
The waiting starts
And I get lostI could be anywhere but over you
It's it so hard to be
Anywhere but over you
Ooh, ooh you tell me
I wanna be
In your arms when the sun goes down
I wanna be
In you arms, but I don't know how
'Cause I can't believe
Give it up, 'cause what we are now
'Cause I wanna be
In you arms, in you arms(In Your arms, in your arms)
(In your arms, in your arms)The words go round
You see I'm down
And there's no switch to turn off
I try and fight it
I force a smile
You think I'm found but I'm not
I could be anywhere but over you
We got so close, we did
I'm anywhere but over you
Ooh, why can't you seeI wanna be
In your arms when the sun goes down
I wanna be
In you arms, but I don't know how
'Cause I can't believe
Give it up,
'cause what we are now
'Cause I wanna beIn you arms, in you arms
