

Shower

Becky G

All I know is there's something about ya'
Got me feeling like I can't be without ya'
Anytime someone mentions ya name
I be feeling as if i'm around ya'
Ain't no words to describe you baby
All I know is that you take me high
Can you tell that ya' drive me crazy?
Cause I can't get you outta my mind Think of ya' when I am going to bed
When I wake up, think of you again
You are my homie, lover, and friend
Exactly why, you light me up inside
Like the 4th of July
Whenever you're around, I always seem to smile
And people ask me how, well you're the reason why
I'm, dancing in the mirror, singing in the shower
La da de, La da da, La da da
Singing in the shower
La da de, La da da, La da daaaa.
Singing in the shower..All I want, all I need is your loving
Baby you make me hot like an oven
Since you came, you know what I discovered?
Baby I don't need me another
No, No, all I know,
Only you got me feeling so,
And you know that I got to have ya'
And I don't plan to let you go Think of ya' when I am going to bed
When I wake up, think of you again
You are my homie, lover, and friend
Exactly why, you light me up inside
Like the 4th of July
Whenever you're around, I always seem to smile
And people ask me how, well you're the reason why
I'm, dancing in the mirror, singing in the shower
La da de, La da da, La da da
Singing in the shower
La da de, La da da, La da daaaa.
Singing in the shower..There ain't no guarantee
But I take a chance on we
Baby let's take our time

(Singing in the shower)
And when the times get rough
There ain't no giving up, cause it just feels so right
(Singing in the shower)
Don't care what others say
If I got you, I'm straight
You bring my heart to life! Yea, you light me up inside, like the 4th of July
Whenever you're around, I always seem to smile
And people ask me how, well you're the reason why
I'm, dancing in the mirror, singing in the shower
La da de, La da da, La da da
Singing in the shower
La da de, La da da, La da da
You got me singing in the shower
La da de, La da da, La da da
Singing in the shower
La da de, La da da, La da daaa
(ahhh)
