

Do You Read Me

Rory Gallagher

Do you read me, well, won't you tell me?
If you read me then please believe me when I say
Yes, I've been waiting, seems like forever
I've been waiting, my situation ain't got much better
Well, I've been waiting, the situation don't get much better You don't do unto others as you do unto me
Well, why am I the only one that treats you this way?
Well, you got that something and it's hard to specify
I just can't diagnose that look that's in your eyes You don't do unto me like I know that you could
Why am I the only one who's misunderstood?
Ashes to ashes and it's dust to dust
Well, if you won't take me then I guess the devil must I've been hurting, my heart's been burning
I've been hurting but I've been learning just the same
Well, I've been waiting, seems like forever
Well I've been waiting, my situation ain't got much better
Well I've been waiting, the situation ain't got much better
I've been waiting, the situation don't get much better
