Cannons (In D)

Phil Wickham

It's falling from the clouds
A strange and lovely sound
I hear it in the thunder and rain
It's ringing in the skies
Like cannons in the night
The music of the universe playsYou are holy great and mighty
The moon and the stars declare who You are
I'm so unworthy, but still You love me
Forever my heart will sing of how great You areBeautiful and free
Song of Galaxies
It's reaching far beyond the milky way
Lets join in with the sound
C'mon let's sing it loud
As the music of the universe playsAll glory, honor, power is Yours amen
All glory, honor, power is Yours amen
All glory, honor, power is Yours forever amen
