

# Gonna Walk

## Barenaked Ladies

I've been sittin at the border of love  
When dots connectin there's an order above  
And there is no one that can touch me  
When it's the same thing comin again I feel I gotta say I'm gonna walk  
I won't quit  
Until I get  
To the bottom of your heart  
I'm gonna walk  
I won't quit  
Until I get  
To the bottom of your heart Whoa  
To the bottom of your heart Walkin hour after hour if I could  
Use a walkin super power I would  
Use it just to come and find you  
Then it's the slow and steady again never goin away I'm gonna walk  
(Gonna walk)  
I won't quit  
(Won't quit)  
Until I get  
(Til I get)  
To the bottom of your heart  
I'm gonna walk  
(Gonna walk)  
I won't quit  
(Won't quit)  
Until I get  
(Til I get)  
To the bottom of your heart Whoa  
To the bottom of your heart  
To the bottom of your heart If it's a puzzle I can solve I'll find a way  
To find you I wouldn't mind to  
I will muzzle my resolve and everyday  
I'm walkin away I'm never gonna stray I'm gonna walk  
I won't quit  
Until I get  
To the bottom of your heart  
I'm gonna walk  
(Gonna walk)  
I won't quit

(Won't quit)  
Until I get  
(Til I get)  
To the bottom of your heart  
I'm gonna walk  
(Gonna walk)  
I won't quit  
(Won't quit)  
Until I get  
(Til I get)  
To the bottom of your heartWhoa  
To the bottom of your heart  
To the bottom of  
Whoa  
To the bottom of your heart  
To the bottom of your heart
