Spring

Two Door Cinema Club

I had watched you taking in the spring
through dusty sun-kissed bodies wonderingBetween you and me
As if they don't see this distraction
This beautiful view
This delicate you in the wayIf I follow you tonight
And leave tomorrow
If its all forgotten love
forgotten loveIf I follow you then
I will need you closer
One more day is not enoughAnything that I could ask of you
Is more than anything that I could doWhat did I say
I cannot say I remember
but every word
Seems so absurd my loveIf I follow you tonight
And leave tomorrow
If its all forgotten love
Forgotten loveIf I follow you then
I will need you closer
One more day is not enoughI don't mind
If all this time
Is all that we had to spend
Everyone carelessly pretendIf I follow you tonight
And leave tomorrow
If its all forgotten love
Forgotten loveIf I follow you then
I will need you closer
One more day is not enough
