

Spring

Two Door Cinema Club

I had watched you taking in the spring
through dusty sun-kissed bodies wondering
Between you and me
As if they don't see this distraction
This beautiful view
This delicate you in the way
If I follow you tonight
And leave tomorrow
If its all forgotten love
forgotten love
If I follow you then
I will need you closer
One more day is not enough
Anything that I could ask of you
Is more than anything that I could do
What did I say
I cannot say I remember
but every word
Seems so absurd my love
If I follow you tonight
And leave tomorrow
If its all forgotten love
Forgotten love
If I follow you then
I will need you closer
One more day is not enough
I don't mind
If all this time
Is all that we had to spend
Everyone carelessly pretend
If I follow you tonight
And leave tomorrow
If its all forgotten love
Forgotten love
If I follow you then
I will need you closer
One more day is not enough
