

Don't Stop The Party

Pitbull

You don't get them girls loose loose

You don't get the world loose loose

You don't get money move, move

But I do, I do

You don't get them girls loose loose

You don't get the world loose loose

You don't get money move, move

But I do, I do I say y'all having a good time out there Yeah, yeah, yeah, que no pare la fiesta

Don't stop the party

Yeah, yeah, yeah, que no pare la fiesta

Don't stop the party I'm running through the world like I'm running back

Scarface, world's mine, running back

30,000 people in here see me

80,000 in London, Wembley

90,000 people in Morocco, and I'm just getting warmed up, papo

Catch me with Red One in Stockholm, Beirut, cafe getting my drink on, Voli

Wow all the pretty women here, the hooka

All of them sweet, azucar, azucar!

Dale disfruta They can't, they won't, they never will, stop the party

They can't, they won't, they never will, stop the party I say y'all having a good time out there Yeah, yeah, yeah

que no pare la fiesta

Don't stop the party!

Yeah, yeah, yeah que no pare la fiesta

Don't stop the party! I'm from the city, with a stretch, and a slinky

And now I'm doing shows in Helsinki

I know what ya'll thinking, you're thinking, that you can out think me, but you can't frankly

I'm out for the benji's, frankies, (C-notes)

Just cause you ain't me, don't hate me

As a matter fact you should thank me

Even if you don't, you're welcome Yankees Who got the keys of the world, now? Yours truly!

They can't, they won't, they never will, stop the party

They can't, they won't, they never will, stop the party

They can't, they won't, they never will, stop the party

The party the party

I say y'all having a good time out there Yeah, yeah, yeah que no pare la fiesta

Don't stop the party!

Yeah, yeah, yeah que no pare la fiesta

Don't stop the party! I'm to give it to ya, ah ah

Now give it to me, ah ah

I'm to give it to ya, ah ah

Now give it to me, ah ah

I'm to give it to ya, ah ah

Now give it to me, ah ah

Get funky, get funky

Now stop! I say y'all having a good time out there Yeah, yeah, yeah que no pare la fiesta

Don't stop the party!

Yeah, yeah, yeah que no pare la fiesta

Don't stop the party! Yeah, yeah, yeah que no pare la fiesta

Don't stop the party

Yeah, yeah, yeah que no pare la fiesta

Don't stop the party Yeah, yeah, yeah que no pare la fiesta

Don't stop the party!

Yeah, yeah, yeah que no pare la fiesta

Don't stop the party!
