

Sadly Beautiful

Jessica Riddle

From the very first day that you were born
To the very last time you waved and honked your horn
I had no chance at all, to watch you growUp so sadly, beautiful
So sadly, beautifulBaby needs a brand new pair of eyes
'Cause the ones you've got now, see only good byes
I had no chance at all, to let you knowOh so sadly, beautiful
Sadly, beautifulWell you've got your Father's hair
And you've got your Father's nose
But you've got my soulSadly, beautifulForm the very last time you waved and honked your horn
To a face that turned away, pale and worn
I had no chance at all, to let you knowYou left me sadly, beautiful
Left me sadly, beautiful
Oh sadly, beautiful
So sadly, beautiful
