

Temptations

Professor B and the Army of Love

Are you full of temptationsâ€¦. They're the star of seduction
they're around every cornerâ€¦. To shower you with their love
Just beware what's around you ..But don't you let them surround you
Conceder this a warningâ€¦ Tempt is a verb and the action is you

Revelation Known.. Your under attackâ€¦ Destination Homeâ€¦. just step it on back

Revelation Knownâ€¦â€¦â€¦. It's as simple as thatâ€¦â€¦â€¦Destination Homeâ€¦â€¦

Are you full of distractionsâ€¦. they're to test your reaction
they're around every cornerâ€¦ To shower you with their love
Just beware whats around youâ€¦ but don't you let them surround you
Conceder this a warningâ€¦.. tempt is a verb and the acton is you

Revelation Known .. Your under attack.. Destination Home..just step it on back

Revelation Knownâ€¦â€¦â€¦. It's as simple as thatâ€¦â€¦â€¦Destination Homeâ€¦â€¦

Are you full of temptationsâ€¦. They're the star of seduction
