

Nothing More to Say

the FRIGHTNRS

Nothing more to say
You always get your way
I don't want to fight
I'll be gone before tonight Step into the dark
Oh, try to find my heart
Tell me how you feel
Oh, tell me, was it real? And if you lie to me, baby
It's alright, I'll believe Love you, love you, love you, love
Love you, love you, love you, love
Love you, love you, love you, love
Love you, love you, love you, love
Tell me if it's true
Oh, what they've done to you
Do you even care?
Oh, baby, that's not fair One thing that I miss
Oh, I still taste your kiss
You never let me in
Oh, how sweet it could've been And if you lie to me, baby
It's alright, I'll believe Love you, love you, love you, love
Love you, love you, love you, love
Love you, love you, love you, love
Love you, love you, love you, love Nothing more to say
You always get your way
I don't want to fight
I'll be gone before tonight
Step into the dark
Oh, try to find my heart
You never let me in
Oh, how sweet it could've been And if you lie to me, baby
It's alright, I'll believe And if you lie to me, baby
It's alright, just give me what I need Love you, love you, love
Ooh
